Uku kwezi nari ndiho ntekereza kuri kamere n' imirimo itangaje by' Imana. Muri Zaburi ya 9 tuhasoma amagambo avuga ku byerekeye Imana yacu nk' Umucamanza w' Ummwiringirwa. Muri Zaburi Dawidi ahimbaza Imana mu kumumenyesha ugukiranuka kwayo mu gihe icira imanza amahanga yakoze ibibi. Hanyuma iyo asenga kugira ngo yongera kwibuka imbabazi z' Imana, Dawidi agira ubutwari ku birebana n' ibihano by' Imana ku nkozi z' ibibi n' umudendezo ku barengana n' ababazwa.

<sup>1</sup> Ndashimisha Uwiteka umutima wanje wose; ndatekerereza abantu imirimo yawe yose itangaza. <sup>2</sup> Ndakunezererwa ndakwishimira: Usumba byose, ndarilimba ishimwe ry' izina ryawe.

<sup>3</sup> Kuko abanzi banje basubira inyuma; bagasitazwa, bakarimburwa no mu maso hawe. <sup>4</sup> Kuko wanshiriye urubanza rukwiriye rutunganye. Wicaye ku ntebe uca imanza zatabera. <sup>5</sup> Wakangaye abanyamahanga, warimbuye abanyabyaha, wasibanganije amazina yabo iteka ryose.

<sup>13</sup> Uwiteka umbabarire; Reba umubabaro mbabazwa n' abanyanga. Ni wowe unzamura ukankura mu marembo y' urupfu. <sup>14</sup> Kugira ngo nerekani re ishimwe ryawe ryose; Mu marembo y' umukobwa w' I Sioni. Kandi nzishimira agakiza kawe. (Zaburi 9:1–5; 13–14).

Ndetse no hagati y' amahanga n' abantu babi, Dawidi aributsa ko:

- 1) Imana ni igihome (ahantu harinzwe) ku barengana.**
- 2) Ntiyirengagiza abamushaka.**
- 3) Ntiyibagirwa amarira y' abarengana.**

<sup>9</sup> Kandi Uwiteka azabera abahatwa igihome kirerkire kibakingira, Igihome kirerkire kibakingira mu gihe cy' amakuba. <sup>10</sup> abazi izina ryawe bazakwiringira; Kuko wowe, Uwiteka utareka abagushaka. <sup>11</sup> Muririmbire Uwiteka, utuye i Sioni, mumuvugirize impundu; Mwamamaze mu mahanga imirimo yakoze. <sup>12</sup> Kuko uhorera amaraso abibuka. Atibagirwa gutaka kw' abanyamubabaro.
